

FOR PRESIDENT:
GROVER CLEVELAND,
OF NEW YORK.

FOR VICE-PRESIDENT:
ADLAI E. STEVENSON,
OF ILLINOIS.

DEMOCRATS, stand in line, and help increase the majorities.

A "WARNER Democrat"? Goodness gracious! Hold our hat, boys!

HIT the enemy and hit them hard on next Tuesday. Down with high taxes. Force bills and all the other iniquities of Republicanism.

MAJOR WARNER'S record is such that no Democrat worthy the name can think of giving him his vote. Neither will he, and Col. Stone's majority will surprise the natives.

BE sure you understand the election law before you cast your ballot. Do not let carelessness cause you to lose your vote. And, by the way, vote right; get in the band wagon and help swell the majority.

THE Republican orators and journals are carrying on this campaign after their usual plan; they are not in the least hampered by facts, and make any statement they think will help their cause, totally without regard to truth.

THE latest news from Democratic headquarters is of a very encouraging nature and the outlook that Mr. Cleveland will sweep the country is very promising. The Republicans are desperate, however, and resorting to all methods to win, but the chances are their efforts will prove vain.

It's the same old story over again. The Republicans are promising all kinds of prosperity if Harrison is elected, and predicting every conceivable calamity if the Democracy is triumphant. These promises and scaring efforts have lost their power, however, and no longer have any effect on the voters. They remember only too well how the Republicans have resorted to like methods in the past.

JUDGE FYAN has made a splendid impression on the people in this end of the district. Everywhere he has visited, large audiences have greeted him, and his speeches have been universally complimented—his exposition of the Force bill, especially, meeting with general and hearty approval. The affairs of the Thirteenth District in the next Congress will be ably attended to; we will have a representative of whom we may feel proud.

CLEVELAND or Harrison? Do you prefer the broad, patriotic statesmanship of the former, or the narrow, prejudiced partisanship of the latter? If you love your country and are proud of its institutions, and want to be true to yourself and to your fellowman, there is but one course for you to follow on November 8th. That is, vote the Democratic ticket straight from President down. Then you will have that peace of mind which comes only from the realization of a sacred duty well performed.

THE REGISTER learns that some of the local Republicans are offering to vote for Cleveland if the Democrats will in return vote for Warner. Now, wouldn't a Democrat be a silly ass to make such a trade? The Republicans know their electoral ticket has no possible show in this State; so they are willing to give away votes that are worth nothing, provided they can secure Democratic votes for Warner. It has been charged all along that the Republicans would be willing to knife their national ticket for the benefit of Warner, and this action proves it. But it won't work, and we are sure there is no Democrat in Iron County who's fool enough to be made the victim of such a proposition. No, sir; Major Warner, as well as Mr. Harrison, must be made to go down in defeat and dismay!

BEFORE another issue of the REGISTER reaches the public, the election will be over and the American people will have brought in their verdict as to the merits of the opposing parties. The news, as best it can be learned now, is very encouraging to the Democracy, and the indications are that Grover Cleveland will be elected. If such proves the case, 'twill be a grand and glorious triumph of principle and honesty over trickery and corruption; it will be a victory for the masses over the classes; it will mean that the institutions of the government are to be perpetuated. It means an end to force bills, class legislation and all other evils consequent on Republican supremacy. It means the lightening of the burdens of the poor and taxing the rich. With such a state of affairs confronting him, can there be any question as to how the unbiased and fair-thinking man will vote?

THERE is not a man on the Democratic county ticket who is not in every way worthy the suffrages of his fellow Democrats. This is apparent from the fact that there is little or no contest as

to their election. The fact that the coming legislature will choose a United States Senator insures to Mr. Holloman the vote of every true Democrat in the county, and, Mr. Webb, his opponent, be he never so sly, will have his labor for his pains. Judge Hill, for the Western District, will be returned by a big majority, as will Judge Hart for the Southern District. Both these men are capable, fit and trustworthy, and no Democrat, whatever his personal feelings, should fail to come out and vote for them. The same rule applies to all the ticket—a ticket made by the free suffrages of the Democrats of the county. They know how to select a first-class ticket, and, having selected it, know how to "put it through" in the face of their Republican opponents.

How About Shirk?

Sombody has played a confidence game on the rank and file of the Peoples' Party in this State.

Judge William S. Shirk, the Republican nominee for Supreme Judge, is a resident of Sedalia, and is, and has been for years, the salaried attorney of the Missouri Pacific Railway.

It was not surprising that Judge Shirk should be the nominee of the Republican party; but it was a very general surprise when he was placed on the Peoples' Party ticket for this same office.

How many members of the Peoples' Party know that their candidate for Judge of the Supreme Court is the salaried attorney of the wealthiest corporation in this State?

The editor of this paper has in his possession the letter head of the Missouri Pacific Law Department, upon which is printed the name of this same Judge William S. Shirk as one of the regular attorneys of said railroad.

Southeast Missouri Teachers' Association.

The regular meeting of the Southeast Missouri District Teachers' Association will be held at Malden, Dunklin county, Missouri, during the Christmas holidays—December 28, 29 and 30, 1892. Inasmuch as the Association has not convened since August, 1891—nearly a year and a half—it is but reasonable to expect that the teachers generally throughout the district will endeavor to make our next meeting one of the best in the history of the Association. Such an educational arousment as Missouri is experiencing was never before witnessed in the Mississippi Valley, and teachers who expect to keep abreast of the advancement of the times must avail themselves of every opportunity for improvement.

It is needless to enumerate here the advantages of these teachers' meetings, because they are not a new feature in our educational economy. The purpose of this notice is to call your attention to the time and place of meeting, and to enlist your co-operation in making the next session a success.

We take pleasure in announcing that we have every assurance that the good people of Malden will spare no pains in making our visit a pleasant one, and it will be profitable to the educational interests of that section of the district just in the proportion that we make it profitable to ourselves.

The executive committee will be pleased to receive suggestions from any one interested in the success of the meeting, and will gladly avail themselves of every advantage suggested.

The official programmes are delayed on account of not receiving prompt replies to our circulars of inquiry, but we hope to have them ready for distribution by the 15th of November.

A. P. VANCE, President.

HATTIE BROWN, Secretary.

Address—Ironton, Mo.

Facts and Figures.

There are 197 publication and news agents in St. Louis, and, according to the official figures given by Mr. Jno. B. Harlow, Postmaster, all of these sent out, during the month of July, 1892, 829 pounds of second-class mail matter, which includes all newspapers and periodicals mailed from the office of publication. Of this total, *The St. Louis Republic* mailed 329,139 pounds, or about one-third of all, which fact tells its own story as to the wonderful popularity and large circulation of the great Democratic Newspaper of the West and Southwest.

THE "TWICE-A-WEEK" REPUBLIC is at once the best and the cheapest newspaper published in America. It will be indispensable during this campaign of education, and will be mailed to any address from now until November 30, for Thirty Cents, or in clubs of ten or more received at one time, for Twenty-five Cents each. *Remember This is for a Great Semi-Weekly Paper.* Send in your orders at once. Sample copies free. Address, *The Republic*, St. Louis, Mo.

Ed. Register—Wheat-sowing has not been quite ended yet in this locality. Owing to the extremely low price of beef-cattle, everybody throughout this country is eating beef; farmers find it is more economical to kill than to sell at present prices.

Messrs. Jas. O. Scott and Samuel Crocker are in attendance at circuit court this week.

Jas. H. Alcorn attended the public speaking at Belgrade last week.

J. G. Mason and family have gone to visit relatives in Crawford county.

Married—On Wednesday, October 19th, Mr. Albert Nipper to Miss Josephine Webb, daughter of Mr. Levi Webb, of near Black, Mo. Mr. Nipper has been working for Mr. D. S. Love for several years and has, it is said, rented Mr. Love's farm for next year.

Mr. Wm. Carl is building a house at Belgrade for Mr. Wm. Johnson.

It is said that next week Mr. Roland Williams, of the "Christian" (Campbellite) church, and Mr. Harvey Larimore, of the Baptist church are to debate the doctrinal points peculiar to their respective religious organizations at Emanuel church.

Mr. and Mrs. Edward Payne, Sr., have gone to Mineral Point on business and on a visit to relatives near there.

Dr. Frank Parker was in the neighborhood on professional business last week.

A number of the ladies of this neighborhood intend meeting at the house of Mrs. Azariah Yount next Monday, to take part in a quilting bee.

Mrs. W. R. Dennis, who has been suffering for some time from a chronic disease, is quite low, and it is thought she can, at best, live but a few days longer. Her daughters, Misses Ettar and Ida Dennis, who have also been quite sick from a malarial disease, are thought to be considerably better.

Some of the Republicans of this section confidently predict the success of their ticket at the coming election.

Married—On the evening of the 27th inst., Master Sylvester McLain, son of Mr. John McLain, of Cub Creek, to Miss Alice Alcorn, youngest daughter of Mr. Harmon Alcorn. The marriage was peculiar in one respect at least. The groom is scarcely 17 years of age and the bride but 15! Rev. Mr. James Yount performed the marriage ceremony.

Since the above was written, Mrs. W. R. Dennis passed away. She died about 4 o'clock this afternoon. Oct. 29th, 1892. R. E.
